

2009 NSW State Jersey Show Report

By Troy Mauger

The annual show held at the delightful surrounds of the Camden Showgrounds was once again a great success with the 2nd highest number of cattle paraded over the two-day show. The show was the 2nd largest showing of Jerseys in Australia for 2009, only IDW has more entries. Cattle came from the Southern Riverina, Far South Coast, Tamworth, Hunter Valley, South Coast and the local area. Spectators attended in some of the largest numbers of recent years coming from far away as the Goulburn Valley in Victoria to make this years show one of the most successful in recent memory.

The Youth show set the standard with

some great skills displayed by the 25 Junior Handlers under the very experienced Judge David Ninness.

40 heifers were paraded in the youth show. This was followed by a Judging demonstration by David before the Junior Judging Competition commenced. The 18 entrants aged from 6 years to 20 all placed the 4 heifers as well as making their comments on the microphone. For some spectators this was the highlight of the 2 days.

The Open show had 105 head paraded before the International Judge Warren Ferguson who had his work cut out from his opening class. Some 16 heifers entered the

ring for the first class followed by 17 in the next class. Warren was certainly sweating but this may have been due to the stifling heat.

For the first time in the shows history no dry cows were paraded in the individual classes.

Warren was "very impressed with the in milk classes with no tail at all".

The 3-4yrs in milk was the crowd's favourite class, which not only had 15 head paraded but also the quality was outstanding.

"The cattle have been presented better than I expected with all studs doing a professional job of preparing their exhibits" Judge Ferguson commented.

2009 N.S.W. State Jersey Show 29 & 30 October, 2009, Camden Showground Judge: Mr. Warren Ferguson "Ferdon" New Zealand

The Bungendore Show

The Bungendore Show starts the show circuit - Sunday 31 January 2010 - and is recognised as the best of the one-day shows, this year drawing record crowds and entries. As a feature item I proposed a "Dairy Spectacular" which not only has a dairy breeds schedule (following) but also milking demonstrations, a display of dairy equipment and also specialty stalls with cheeses and other dairy products.

Roberta Ibbott has consented to be the judge and Barry Gwyther the chief steward. I have also been promised valuable support for prize money and trophies. I will also be putting on a BBQ for members using specialty cuts of Jersey beef. It promises to be a fun day as well as giving prominence to the Jersey breed in what otherwise is seen as a beef area and I look for your support.

David Odell,
Wodhul Jerseys
